

Agenda
 Meeting #72 Moab Area Watershed Partnership
 The Grand Center
 Wednesday, January 15, 2020
1:00 PM– 3:00 PM

1:00-1:05	Introductions (as necessary)
1:05-1:10	Review Agenda and Minutes:
1:10-1:15	Watershed Coordinators Report: Are there any questions on the Watershed Coordinators report? Arne's schedule in February.
1:15-1:20	MAWP Officers:
1:20-1:45	New Project and Grant Reports: Arne will lead a discussion on what new project proposals are being developed. Dog waste stations Pack Creek Phase I Stream Restoration (also scheduling with partners) Red Cliffs Corral Project La Sal Sustainability Collaboration Projects Spring Development Projects in the La Sal's E Coli projects????? Working with WRI Accounting and dispersing grant funding.
1:45-2:10	Grazing on BLM land in the North Fork of Mill Creek: It has come to the MAWP's attention that unpermitted grazing is occurring in the North Fork of Mill Creek. The question to the MAWP is whether we want to encourage curtailment of the activity. There will be a discussion about where, when, the amount and extent of grazing. We will also discuss what could be done about it.
1:45-2:10	Scoping comments for new Oil and Gas leases in the Sand Flats Recreation Area: The attendees will discuss implications of the proposed Oil and Gas leases in the Sand Flats Recreation Area and consider sending in comments.
2:10-2:15	Other Business MIM's monitoring update. Vision Committee update. Future meetings for the development of a Spanish Valley Groundwater Management Plan and other groundwater matters. The next one is directly after this meeting and is scheduled for 1 hr from 2:30 to 3:30. I will bring treats. Manti-La Sal National Forest Management Plan Revision Schedule Other Business?
3:00	Adjournment - Next meeting March 18, 2020 Focus is on projects and ranking
