

Agenda  
 Meeting #71 Moab Area Watershed Partnership  
 The Grand Center  
 Wednesday, November 20, 2019  
**1:00 PM– 3:00 PM**

1:00-1:05	<b>Introductions (as necessary)</b>
1:05-1:10	<b>Review Agenda and Minutes:</b>
1:10-1:15	<b>Watershed Coordinators Report:</b> Are there any questions on the Watershed Coordinators report?
1:15-1:35	<b>Vulnerability Consequences and Adaptive Planning Scenarios Final Report:</b> Arne and perhaps Rosemarie will present a short PowerPoint summary of the VCAPS final report. There are several recommendations the report attendees came to consensus on that should be discussed by the MAWP.
1:35-2:15	<b>Review of water year 2019 Monitoring Data:</b> Arne will present the water year 2019 monitoring data. There will be discussions about opportunities the results present and discussions about what we can do to improve water quality.
2:15-2:40	<b>Greywater Rule:</b> The Utah Division of Water Quality Board moved forward into rulemaking for the new greywater rule at their last Board meeting held in Moab. Arne will facilitate a discussion on what the rule requires and how MAWP partners would like to support it or not. Possible letter of recommendation to the City of Moab and Grand County.
2:40-2:50	<b>New Project and Grant Reports:</b> Arne will lead a discussion on what new project proposals are being developed. Dog waste stations 100 South Reconstruction Pack Creek Phase I Stream Restoration Matheson Wetlands Phase IV Mill Creek Stream Restoration Red Cliffs Corral Project Onion Creek Road Stabilization
2:50-3:00	<b>Other Business</b> Manti-La Sal National Forest Resource Advisory Council MIM's monitoring update. Vision Committee update. Future meetings for the development of a Spanish Valley Groundwater Management Plan and other groundwater matters. Manti-La Sal National Forest Management Plan Revision Schedule Other Business?
3:00	<b>Adjournment - Next meeting January 15, 2020 Focus is on projects and perhaps ranking</b>
